Notes: Family-Centered Services Tables and Figures

Table 9.

- Counts of persons are unduplicated.
- Child caretakers are persons under legal age who are also parents.

Table 11.

- Close reason of "Goal Achieved" includes;
  function plan achieved and/or the reasons for needed services no longer exist;
  all contracted services completed and risk factors are sufficiently reduced;
  case goals have been achieved;
  services can be provided by other resource without intervention of the Division and family can/will access such resources;
  no child under age 18 is still in the home;

- Close reason of "Other" includes;
  client not making progress but there are no legal grounds for court intervention;
  client moved-unable to locate;
  client moved-other state notified;
  referred to other appropriate resource;
  other;
  family is unwilling to cooperate with the service plan;
  family moved out of state;
  family requests that the case be closed;
  progress no longer being made;
  resources have been exhausted and are no longer available to assist the family;

Table 12.

- All court activities/actions are considered as court involvement except for court reports.

Figure 9.

- On March 1, 2017, memorandum CD17-16 was issued and informed staff they will no longer open FCS functions on families when children are placed in alternative care. When the change was implemented on March 1, 2017, all FCS cases with associated AC functions opened were automatically closed. The closure of the FCS cases associated with AC functions explains the large decline in the number of FCS cases.
