- PHYSICIAN FEE INCREASES

PHYSICIAN FEE INCREASES

Effective for dates of service on or after July 1, 2018, the MO HealthNet Division (MHD) fee-for-service maximum allowable rates for certain procedures in the Physician Program are increased. The MHD will reimburse the lesser of either the provider's usual and customary billed charge or the maximum allowable amount for the date of service billed. Providers may not bill MHD at a higher rate than they charge their private pay patients.

The procedure codes that received the increase are provided in Attachment A.

The MHD will reprocess claims paid for dates of service on or after July 1, 2018. Please check your future remittance advice statements for rate adjustments.

Provider Bulletins are available on the MO HealthNet Division (MHD) (Formerly the Division of Medical Services) Web site at http://dss.mo.gov/mhd/providers/pages/bulletins.htm. Bulletins will remain on the Provider Bulletins page only until incorporated into the provider manuals as appropriate, then moved to the Archived Bulletin page.

MO HealthNet News: Providers and other interested parties are urged to go to the MHD Web site at http://dss.mo.gov/mhd/ to subscribe to the electronic mailing list to receive automatic notifications of provider bulletins, provider manual updates, and other official MO HealthNet communications via E-mail.

The information contained in this bulletin applies to coverage for:

- MO HealthNet Fee-for-Service
- Managed Care Services

Questions regarding MO HealthNet Managed Care benefits should be directed to the patient's MO HealthNet Managed Care health plan. Before delivering a service, please check the patient's eligibility status by swiping the MO HealthNet card or by calling the Provider Communications Interactive Voice Response (IVR) System at 573-751-2896 and using Option One for the red or white card.
