

Respite Care Provider Checklist Instructions

Purpose:

The Foster Respite Care Provider Checklist is used to document that the foster respite care applicant who desires to provide out-of-home respite care meets the licensing requirements as set forth in CSR 35-60.040 Physical Standards for Foster Homes (1) General Requirements, Section (A) through (K); Sleeping Arrangements, Sections (A) through (H); (#) Fire and Safety Requirements, Section (A) through (K) ; and (4) Weapons Requirements, Section (A) through (C).

Instructions for Completion:

Prior to approving a respite care applicant to provide out-of-home respite care, the Children's Service Worker shall complete the CS-RC-2 during a home visit to determine if the applicant meets above reference requirements.

Number of Copies and Distribution:

A copy of the CS-RC-2 is given to the respite provider applicant and the original is permanently retained in the respite provider's record, if the applicant is approved.

Memoranda History:
