### **Filing a Grievance**

If you have a concern about the services you received through the Children's Division, you may file a grievance. Anyone who received services within the last 30 days can file a grievance. If a child under the age of 12 would like to file a grievance, they will need the help of a parent, guardian, out-of-home care provider, or Guardian Ad Litem (GAL).

The grievance process cannot help with complaints about a court ruling, a current state statute, judicial assignments (including the GAL or Court Appointed Special Advocate), foster/adoptive licensing revocations or denials, or any subsidy denials.

To file a grievance, visit your local Children's Division office and ask for a **Service Delivery Grievance Form (CS-131)**. Follow the instructions and complete Section A of the form and return it to your local office.
