

## Adoption Celebration 2005 Facts for Kids

- **The purpose of this event is for you to have fun!! You are not here to try and pick out a family-relax and enjoy the fun, food and games!!!**
- **You will not be going home with a different family today. Families will contact your social worker to find out about your interests, likes, dislikes and to see if you would be interested in their family.**
- **Do not ask families if they will adopt you. Everybody is here today just to get to know each other-no big decisions will be made today.**
- **Do not worry if you are not matched with a family today. The family who is right for you may not be at this event.**
- **TRY TO RELAX AND HAVE FUN!!!!!!!!!!!!!!!!!!!!!!!!!!!!**
