FROM: PAULA NEESE, DIRECTOR

SUBJECT: QUARTERLY CQI NEWSLETTER, [IN FOCUS](#)

DISCUSSION:

Attached please find the quarterly Continuous Quality Improvement newsletter, *In Focus*. This quarter's newsletter focuses on completion of our PIP and setting our sights on the next round of CFSR. The newsletter also contains CQI successes and an overview of the new Supervisory Case Review Process Training and Mentoring program.

If you have any information or success stories you would like to have shared in next quarter's newsletter, please contact Susan Savage, Quality Assurance Manager, through Microsoft Outlook or by phone at (573)751-4319 or your regional Quality Assurance Specialist. Thank you for your ongoing commitment to the children and families served by the division.

Necessary Action:

1. Review this memorandum with all Children's Division Staff.
2. Review the In Focus newsletter during CQI Meetings.
3. All questions should be cleared through normal supervisory channels.
