

OFFICE OF THE GOVERNOR

STATE OF MISSOURI
JEFFERSON CITY

MATT BLUNT
GOVERNOR

November __, 2007

Dear Parent or Caregiver,

As parents, Melanie and I know there is nothing more important than our children's health, education and well being. They are the joy of our lives! As the adults in their lives, it is our responsibility to make sure they get the care they need to grow up healthy and strong.

For many families, the cost of health care is hard to meet. We know families want their children to have checkups, immunizations and needed care, but sometimes struggle to afford it.

The good news is that our state offers very generous programs to help families make sure their children can see the doctor, be immunized and have regular checkups. In the past there were different names for different programs, but now we have made it easier. All you have to do is ask about MO HealthNet for Kids!

Your children may qualify for this very reasonable health insurance that will help you afford the checkups, immunizations and other care they need. Depending on your income, there may be no cost to you or your family. To see if your children qualify for MO HealthNet for Kids, please fill out the enclosed application and mail it in today. If you have any questions, please call MO HealthNet for Kids at this toll free number, 1-888-275-5908, because there is nothing more important than the health of your children.

Sincerely,

Handwritten signature of Matt Blunt in black ink.

Matt Blunt, Governor

Sincerely,
