Temporary Assistance:

If under gross income limit, deduct child care expenses and \$90 work standard and compare to consolidated standard.
 If under the consolidated standard, after allowable deductions, income must be under the net income limit to be eligible.

MO HealthNet for Pregnant Women and Non-CHIP Children:

Deduct childcare expenses and \$90 for each wage earner from gross income-compare to poverty level.

MO HealthNet for Families:

Gross income, minus the first \$50 of child support, must be under the Temporary Assistance gross income maximum.
 If under the gross income limit, deduct child care expenses, the first \$50 of child support and \$90 for each wage earner from gross income - must be under MHF Net Income Max to be eligible.

CHIP groups: Gross income must be under maximum. There are no deductions.

Premiums for families with gross income above 150% FPL up to and including 185% FPL are 4% of monthly income for the family size. Premiums for families with gross income above 185% up to and including 225% of FPL are 4% of monthly income between 150% and 185% of FPL plus 8% of monthly income between 185% and 225% FPL for the family size. Premiums for families with gross income above 225% up to and including 300% of FPL are 4% of monthly income between 150% and 185% of FPL plus 8% of monthly income between 185% and 225% of FPL plus 14% of monthly income between 225% and 300% of FPL for the family size, but the total monthly premium is not to exceed 5% of the family's gross income.

** Transitional MO HealthNet eligibility (for the second six-month period of eligibility) is determined by subtracting childcare expenses from earned income and comparing the result to 185% of the current federal poverty level.
