### HOSPICE RATE CHANGE

The MO HealthNet Hospice payment rates effective October 1, 2012 through September 30, 2013 are attached. The rates in [Attachment A](#) are listed by Core Based Statistical Area (CBSA).

The Balanced Budget Act of 1997 requires hospice providers to submit claims for payment for hospice care furnished in an individual's home based on the geographic locations in which the services are furnished, as opposed to the location of the hospice. In order to comply with this requirement, use the attached rate schedule when billing for services provided in an individual's home when that residence is outside the CBSA in which your agency is located. If services are provided in a CBSA with a higher rate than the CBSA rate for the location of your agency, please e-mail the MO HealthNet Division, Pharmacy and Clinical Services Unit at [clinical.services@dss.mo.gov](mailto:clinical.services@dss.mo.gov). Include your provider name, NPI number, residence service counties, and request the rate for the CBSA be placed on your file. This will allow you to be reimbursed at the appropriate CBSA rate.

**Provider Bulletins** are available on the MO HealthNet Division (MHD) (Formerly the Division of Medical Services) Web site at <http://dss.mo.gov/mhd/providers/pages/bulletins.htm>. Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletin page.

**MO HealthNet News:** Providers and other interested parties are urged to go to the MHD Web site at <http://dss.mo.gov/mhd/global/pages/mednewssubscribe.htm> to subscribe to the electronic mailing list to receive automatic notifications of provider bulletins, provider manual updates, and other official MO HealthNet communications via E-mail.

**MO HealthNet Managed Care:** The information contained in this bulletin applies to coverage for:

- MO HealthNet Fee-for-Service
- Services not included in MO HealthNet Managed Care

Questions regarding MO HealthNet Managed Care benefits should be directed to the patient's MO HealthNet Managed Care health plan.
