# MEDICARE ADVANTAGE/PART C CLAIMS USING THE ACS X12 837 TRANSACTIONS

## CONTENTS

- Medicare Advantage/Part C 837 Transactions

As of October 18, 2015, Medicare Advantage/Part C Claims can be submitted to the MO HealthNet Division (MHD) using the Accredited Standards Committee (ASC) X12 837 Transactions.

### MEDICARE ADVANTAGE/PART C 837 TRANSACTIONS

The MHD has expanded the submission method for submitting Medicare Advantage/Part C claims for participants who are Qualified Medicare Beneficiaries (QMB), QMB Plus, and non-QMB eligible.

The system will identify a Medicare Part C claim when the value '16' – Health Maintenance Organization (HMO) Medicare Risk is populated in the SBR09 field located in the SBR segment of the 2320 other payer loop of the 837 transaction. The system will further determine to process the claim as either a Medicare Part C Crossover or a Coordination of Benefits (COB) claim based off the participants QMB, QMB Plus, or non-QMB eligibility on the date of service.

Please reference the MHD Cost Sharing for Medicare Part C/Medicare Advantage Plans Provider Bulletin dated May 5, 2008 which provides detailed information regarding:

- Medicare Part C Cost Sharing
- Medicare Part C Crossover Claims
- Medicare Part C Coordination of Benefits
- Inpatient Hospital Certification Reviews
- MHD Timely Filing
- Participant Liability
