DENTAL SERVICES RATE INCREASE

Effective for dates of service on or after January 1, 2016, the MO HealthNet Division (MHD) fee-for-service program maximum allowable rates for dental services are increased by one percent (1%). MHD will continue to reimburse the lesser of either the provider's usual and customary charge or the maximum allowable amount per unit of service. Providers may not bill MHD at a higher rate than they charge their private pay patients.

The current on-line fee schedule does not yet reflect the fee increases. Please watch for an upcoming dental services bulletin that will be released when the on-line fee schedule has been updated.

MHD will reprocess claims paid for dates of service on or after January 1, 2016, once the fee schedules are updated. Please check your future remittance advice statements for rate adjustments.

Provider Bulletins are available on the MO HealthNet Division (MHD) (Formerly the Division of Medical Services) Web site at <http://dss.mo.gov/mhd/providers/pages/bulletins.htm>. Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletin page.

MO HealthNet News: Providers and other interested parties are urged to go to the MHD Web site at <http://dss.mo.gov/mhd/> to subscribe to the electronic mailing list to receive automatic notifications of provider bulletins, provider manual updates, and other official MO HealthNet communications via E-mail.
