MAXIMUM ALLOWABLE RATE DECREASE

Effective for dates of services on or after July 1, 2017, the MO HealthNet Fee-For-Service maximum allowable rates are reduced by approximately 3% for Personal Care and Home and Community Based Services (HCBS) and approximately 6% for Private Duty Nursing services as indicated below. These changes are due to reductions included in the Fiscal Year 2018 budget.

MO HealthNet will reimburse the lower of the provider's billed charge or the maximum allowable amount for the date of service billed. Providers may not bill MO HealthNet at a higher rate than they charge their private pay patients. Providers must bill MO HealthNet their usual and customary rate.

The affected procedure codes and amounts are as follows:
