

VOCA NOTES

9/20/2023

Introduction of new staff

Contract Renewals. We will start sending out your budget form and narratives to you. You have ten business days to return to us.

If you have gotten forms turned back in, we will get your forms approved and sent back to you within the next couple weeks.

If you have questions about the forms, let us know and we can send out WebEx instructional meetings.

4th Quarter narratives are due soon. We will send out a reminder email that they will be due October 30th.

Invoicing team will be posting new forms to the website in about two weeks—they will be available in November.

VOCA Update—attended joint training conference in Chicago. Learned a lot about monitoring and codes. Trainings on how to do trainings.

We are still working on the next contract period starting in October of 2024.

VOCA Conference did say that there will be a decrease in funds coming to all the states, not just Missouri.

Start next month we will start highlighting ten agencies per meeting for them to share about themselves and any other information they view as valuable to share.

Lori Friedewald went over the invoicing forms. There will be separate forms for Regular VOCA General VOCA, ARPA,

Regular VOCA Form is the same.

General Revenue- only thing different is the GR Contract

ARPA- Same information plus VOCA ARPA Contract information.

DATA Report has a name change to FFY 2023 VOCA GR Monthly Data Report.

This information will be sent in an email.

Funding usage will go as the following:

ARPA funding

GR funding

VOCA 23 Money

Jeriane clarifies that we are putting together all documentation and will have a department conversation happening very soon regarding the future of VOCA.

MOCADSV- ZAK, COO

Thank you, Lynette Wade for providing sign-language services.

from Benjamin Johnson (internal) to everyone: 1:09 PM

your welcome

from Brandi Bair - Hope House to everyone: 1:12 PM

If we used ARPA funds in 4th Quarter, will our quarterly report have '0' reported in it?

from Brandi Bair - Hope House to everyone: 1:21 PM

If we use multiple funding types during the same time period, do we have to separate out victims served under each funding type?

from Martha Sander to everyone: 1:21 PM

For clarification, all pots of money are reported on one data sheet. We do not need a data sheet for each funding source (GR, ARPA, VOCA)

from Ken Chapman (internal) to everyone: 1:26 PM

Thank you, Michelle Selbe, for providing intermediary interpreting services.

from Michelle Selbe to everyone: 1:27 PM
