

Delivery (KICK) Payment Policy

Effective October 1, 2015, supplemental payments for deliveries will be determined using the ICD-10 Diagnosis codes

These payments, otherwise known as "KICK" payments, will be reimbursed to the health plan when notification is provided to the state agency that a delivery has occurred.

Notification must be provided in one of two formats:

\*When using a 7<sup>th</sup> digit, an X will serve as a space holder for the 6<sup>th</sup> digit.

Encounters meeting the above criteria will generate a supplemental payment to the health plan when received and processed by the fiscal agent. No more than one supplemental payment will be paid per member in a ten-month period (300 days).

Pregnancies that do not result in delivery are not eligible for the supplemental payment.
