

Fraud/Waste/Abuse Activities Report: Events Log INSTRUCTIONS:

1. Report on training activities regarding fraud, waste, and abuse that were provided by your plan during the designated quarter.
2. For reporting purposes, use field names EXACTLY as shown in the specifications. Do NOT change spelling or add spaces to field names.
3. For fields with an Acceptable Values list, include ONLY items from that list. Be sure they are spelled EXACTLY as given in the specifications. Even minor deviations in spelling may result in your submission being rejected.
4. Any field with a data type of "Text" is limited to a maximum of 255 characters. Any characters beyond that will be truncated. (It is very unlikely that you will ever need that many characters for the fields requested for this report. Most Text fields are limited to an Acceptable Values list anyway.)
5. Submit report in a pipe-delimited file format.
6. The first row of the pipe-delimited file MUST contain the field names.
