

CBEC Home Visiting Workgroup Meeting
August 8, 2011 from 10:00–3:00 (Working Lunch)
Center for Family Policy and Research
1400 Rock Quarry Road, Columbia, MO

AGENDA

Review Matrix

- Revisit question of demonstrated outcomes

Review/Revise – Definition of home visiting programs

Discussion – How does home visiting fit within “comprehensive early childhood system?”

Question emerging on CBEC/ECCS Strategic Plan: should there be a HV equivalent to QRS??

Definition¹/Criteria – Included on survey of community programs:

1. *Does the program design assume home visits as the primary method for delivering the intervention?*
2. *Are a majority of services delivered (or a majority of clients served) through home visits?*
3. *Are staff trained to deliver services and supports through home visits?*
4. *Does the program design include a sustained and ongoing relationship with enrolled families over time?*²
5. *Does your program serve children within the age range of prenatal to five years? (Can serve birth to three for example.)*

¹ State-Based Home Visiting Program: Strengthening Programs through State Leadership from the National Center for Children in Poverty, February 2009 http://www.nccp.org/publications/pub_862.html

² Criteria #4 & 5 were added by the Coordinating Board for Early Childhood Home Visiting work group.
