In Person: Emily Koenig, Pam Thomas, Cindy Reese, Nancy Reid, JoAnn Ralston, Lana Brooks, Melinda Ohlemiller, Sharon Helton and Justin Logan

By phone: Carol Scott

Meeting called to order at 10:00 a.m.

**PD Discussion**

- Discussed what we want programs to require, pay, and allow professional development for all employees.
- We cannot recommend to many requirements on a program, as it will affect the organization due to cost.
- The state can make recommendations, but it is the responsibility of the program to develop and implement the recommendations.

**Recommendations from Big Ideas**

- PD and TA
  - We need to have shared professional development across programs.
    - Training and professional development requirements need to be broad, not model/program specific.
  - Recommend a task force to research the Home Visiting Credential.
    - What do other states do?
    - What are the requirements, number of hours, topics, categories?
    - Identify Missouri programs for commonalities to add in a credential.
- Public Engagement
  - Address that Home Visiting has a stigma and how can that be corrected.
- Action Items:
  - Define Authentic Family Engagement, Fidelity to the Model and Evidence Based.

- Cindy will get additional information from the MIECHV program to help answer some questions.

**Community of Practice**

- Missouri will present in July on Professional Development.
- There are only 2 more calls; CoP ends in August.
- Reviewed the PowerPoint presentation that will be presented during CoP.
- Discussed different conferences/trainings held around the state. The issue is that there is not enough space to hold a conference or training for everyone due to how many Home Visiting employees are in the state.

**Next Steps**

- Schedule Monica and Mary to present after the June meeting.
- Send final version of Big Ideas with table 1 from OSEDA report to all World Café participants and invitees.
- Draft recommendations for October CBEC meeting.
