

**ECMH Meeting
March 17, 2014
10 am to Noon
Phone Conference**

Minutes

Present: Suzie Henderson, Cindy Reese, Bethann Lang, Emily Koenig, Julie Allen, Patsy Carter, Timothy Kling, MD, Lori Masek

Focus of meeting was to review any additional comments on Early Childhood Mental Health Consultation and the Early Childhood Mental Health Curriculum.

ECMH Consultation – Will be presented at rescheduled CBEC Home Visiting Workgroup for feedback on how this would support that service. Asking LAUNCH state council members to review within their departments/agencies and bring any feedback to the April council meeting.

ECMH Curriculum - Discussed curriculum logistics. The following was decided:

- Will prioritize registration of Medicaid providers
- Will not implement “reverse scholarships” for this first learning collaborative and see if we have a high drop-out rate across the trainings and learning collaborative
- Discussed marketing brochure, need to include logos and statements regarding sponsors. Current sponsors are LAUNCH via SAMHSA, DMH and CBEC. Other agencies can be acknowledged for their contributions.
- Suzie reported Burrell can do the CEU’s at \$10 apiece. Will have Denise Mills, coordinator from Burrell participate in a discussion to work out other details. Need to determine how the total 18 hours would be distributed across certificates.
- Judy had started work on a template for registration. Will review in April meeting.
