

ECMH Workgroup Meeting
September 15, 2014
10 am to 12 noon

MINUTES

PRESENT: Justin Logan, Bethann Lang, Sanaria Sulaiman, Julie Allen, Cindy Reese, Susie Henderson, Eric Martin, Patsy Carter, Angie Wendt, Lori Masek, Emily Koenig, and Shelley Mayse

Welcome and Announcements

- Susie reported that the Coalition of Community Mental Health Centers Early Childhood subgroup met last week – looking at early childhood mental health, competencies. Subgroup looked at article on mental health consultation. Susie will forward link to article to Patsy for distribution to workgroup
- Cindy Reese reported the new Home Visiting /MIECHV funding announcements, DHSS would put in proposal budget for training in the SE (ECMH training). MIECHV grant received, mental health consultation included
- Cindy Reese attended planning meetings for DESE Early Childhood grant application; Parent Cafes and mh consultation are both being considered for inclusion.
- Julie provided update on Strengthening Families Curriculum and Parent Café training in Kansas City and Springfield. The SF curriculum will be presented in lieu of the LAUNCH state council meeting on 9/26.
- Justin reported he is working on updating the CBEC website

MH Providers Training

Logistics were reviewed. There are 22 participants registered and waiting on 2 more. Susie working on assignment of participants to the follow up learning collaborative. Sanaria and Kelley working on final plans.

Mental Health Consultation

Patsy will put on agenda for October CBEC meeting to have Board review and approve.

Next Steps

Following approval of MH consultation definition by CBEC, workgroup will begin working on competencies. Cindy stated some states have competencies already outlined. Cindy will bring MO/KS to next meeting. Other states' competencies are outlined in article mentioned above and will be distributed to group.
