Social and Emotional Training for Child Care Providers

- Reviewed the order and broad content for the training as well as the timeline.
- Next steps will be to finalize the slides and create a script to accompany the slides. A small group will work on this in December and bring the content back to the whole group in January.

Early Childhood Summit

- We discussed whether we would have time to hold a quality event before the end of June. It was decided that we would attempt to schedule a training between March-May, possibly the week of May 8th to coordinate with Children' Mental Health Day. If we are able to schedule the event, it would not be a conference, but a day with a single speaker.
- One possible topic would be the DC 0-5. Members are asked to think about other possible topics/speakers for this event.
- We will revisit the discussion on the January call.
- It was decided that we would explore the opportunity for funding a different event fall 2017-spring 2018.

December 2016/January, February 2017 Meetings

Due to the holidays we are going to cancel the December 2016 meeting. The January and February meetings fall on State holiday's as well. It was decided that we would move the January call to Tuesday, January 17th. The February meeting will be moved to February 21, 2017.
