Announcements:

I made updates to the website. I am working with ITSD to create an ECCS section on the CBEC website that provides workgroup meeting agendas and minutes. I will also add additional information that is related to ECCS in this section.

I will update workgroups and board members after our April meeting.

If you have any information you would like added to the website, please send to me and we will see what we need to do to get it on the website. I'd like to make the website a reference for information.

Other Notes:

Can I add the June 30, 2014 ECE Recommendation to the CBEC website? Have there been any other recommendations presented since FY12 Policy Agenda?

I would like to add THE CHILD CARE AND DEVELOPMENT BLOCK GRANT REAUTHORIZATION: CHANGES TO PREVIOUS LAW from National Women's Law Center and the Child Care and Development Block Grant Act of 2014 to the CBEC website.
