

# **Report for the Missouri Coordinating Board for Early Childhood**

*October, 2015*

**Work Group:** Home Visiting

**Liaison to the Board:** Valeri Lane

**Report as of:** October, 2015

**In-progress:**

- The HV Workgroup held a call Sept. 9 to prepare for the HV World Café.
- The World Café was convened on Sept. 16, 2015. Thirty-nine (39) stakeholders participated from various roles related to home visiting and with broad geographic representation. Volunteers from the CBEC Home Visiting Workgroup and State Departments of Health, Mental Health, and Education facilitated discussion and took notes as participants responded to eight different topics in 20 minute cycles. The primary question for each topic was: What would [this area] look like in an ideal home visiting state system?
- Notes from the conversations are being compiled.

**Questions for the board/larger group:**

- None at this time

**Other Notes:**

- The next meeting will be held in early December to review the notes from the World Café.
