**Announcements:**

I am working with ITSD to create an ECCS section on the CBEC website that provides workgroup meeting agendas and minutes. I will also add additional information that is related to ECCS in this section. The changes will require the CBEC website to get a small makeover.

If you have any information you would like added to the website, please send to me and we will see what we need to do to get it on the website. I'd like to make the website a reference for information.

If you ever need any call-in information, it is located on the CBEC Calendar. It has the date, time, call-in number, and location if available.
