**When we think about the situation this family is facing:**

**What are we worried about?**

**What's working well?**

**What needs to happen?**

On a scale of 0 to 10, where 10 means everyone knows the children are safe enough for Children's Division to close their case and zero means things are so bad for the children they cannot live at home, where do we rate this situation? (If different judgments, place different people's numbers on the continuum.)
