This is to advise staff that the Saint Louis Crisis Nursery (SLCN) has opened an additional location in St. Charles County to serve the growing need in that community. The new operating site is currently being referred to as the Annex, and is located just behind the original operating site at 315 First Capitol, St. Charles, MO 63301. The SLCN has operated for nearly twenty (20) years to prevent child abuse and neglect by offering short term care, for up to seventy-two (72) hours, for young children when parents are temporarily unable to provide a safe environment for their children. SLCN is licensed for basic core services, for up to five (5) children, males and females, ages birth to eleven (11). For more information regarding admissions to either of the St. Charles locations contact Angela Osborne at 636-947-0600. For information regarding admission to any of the other SLCN locations contact Katie Corrigan, Program Coordinator, at 314-768-3000.

Please feel free to contact Fred Proebsting, State Supervisor, Residential Program Unit, at 573-751-8926, if you have any questions or comments regarding this matter.
