The newsletter also contains an overview of the six federal measures, COA news, circuit kudos, and CQI successes.

If you have any information or success stories you would like to have shared in next quarter's newsletter, please contact Susan Savage, Quality Assurance Manager, through Microsoft Outlook or by phone at (573)751-4319 or your regional Quality Assurance Specialist. Thank you for your ongoing commitment to the children and families served by the division.

Necessary Action:

1. Review this memorandum with all Children's Division Staff.
2. Review the [InFocus](#) newsletter during CQI Meetings.
3. All questions should be cleared through normal supervisory channels.
