MANAGEMENT ANALYSIS SPECIALIST II APPOINTMENT

I am pleased to announce the appointment of Becky Porter to the position of CFSR Coordinator, Management Analysis Specialist II in the Quality Assurance Unit. Becky will be responsible for various aspects of consultation, technical assistance and support to field staff, Central Office staff, Specialists, Children's Division Management at all levels, and will consult with federal agency staff on a regular basis in order to coordinate CFSR activities and other federal reporting.

Becky received her MSW from the University of Missouri in 2006 and has worked with the Division of Family Services and the Children's Division since 1994. She has field experience in numerous program areas, including Family-Centered Services, Investigations, Alternative Care, and Intensive In-Home Services as a Children's Service Worker and as a Children's Service Supervisor. Becky has a wide range of experience with specialized projects for the Division, including recent coordination for the Quality Improvement Center (QIC) discretionary grants project, and as a Program Development Specialist for the Quality Assurance Unit in central office. During Missouri's first round CFSR, Becky led the State's activities including coordination of the statewide assessment, mock reviews, on-site review, and initial development of the Program Improvement Plan. Becky has also participated in several CFSR reviews around the nation as both reviewer and co-site leader. Please join me in welcoming Becky to her new position, which will be effective August 1, 2008.
