DISCUSSION:

The purpose of this memorandum is to introduce a new resource on the Internet to assist our resource providers.

On the Children's Division Internet page, <http://www.dss.mo.gov/cd/index.htm> , a link has been added for foster parenting information.

The link contains information for foster parents including Division memorandums that specifically address foster parenting issues.

All information to be posted on this page must be submitted to the Program Development Specialist assigned to the licensing program area, Elizabeth Tattershall.

Staff should notify resource providers of this new resource and encourage them to view it periodically for information updates.
