This is to advise staff that, effective immediately, Presbyterian Children's Services has changed its name to Children's Foundation of Mid-America, Inc. and has opened an operating site in Hannibal, Missouri called Hannibal House. Hannibal House is licensed as a residential child care agency and meets the licensure standards for basic core, residential treatment, and intensive residential treatment for up to three (3) males, ages twelve (12) to twenty-one (21) years. The Hannibal House operating site plans to contract with Missouri Alliance for Children and Families and serve its clients. However, Children's Foundation of Mid-America, Inc. continues to hold Children's Division contracts for emergency shelter, level II (moderate needs), level III (severe needs), and level IV (intensive needs) residential treatment for programs at other operating sites. Information regarding this new program may be obtained from Pamela Adkison, Site Director, at 573-822-2215.

Please feel free to contact Fred Proebsting, State Supervisor, Residential Program Unit, at 573-751-8926, if you have any questions or comments regarding this matter.
