1. Sexual abuse shall include, but is not limited to:

Any touching of the genitals, anus or buttocks of a child, or the breast of a female child, or any such touching through the clothing; any act involving the genitals of a child and the hand, mouth, tongue, or anus of another person; or any sexual act involving the penetration, however slight, of a child’s mouth, penis, female genitalia, or anus by any body part of another person, or by any instrument or object;

The touching of a child’s body, including a child’s genitals, buttocks, anus, or breasts for reasonable, medical, child rearing or child care purposes shall not be considered sexual abuse.

3. The division shall not be required to prove that the alleged perpetrator received sexual gratification or that there was an exchange or promise of anything of value as a result of the act of sexual abuse to establish sexual abuse under chapter 210 or 211 RSMo.

4. The use of force or coercion is not a necessary element for a finding of sexual abuse.

5. Sexual abuse may occur over or under the child’s clothes.

6. The division shall not be required to prove that the child suffered trauma or harm as a result of the act of sexual abuse.

7. A child cannot consent to a sexual or sexualized act or interaction with a person responsible for that child’s care, custody, and control.”
