II. Administrative Operations

1. **Administering Agency** Department of Social Services

2. **Location** Jefferson City, MO

3. **Mission/Goals of Agency**

To coordinate programs to provide public assistance to children and their parents, access to health care, child support and enforcement assistance and to provide specialized assistance to troubled youth.

While many programs give needed financial assistance and services, other units work toward reducing financial dependency of the citizens on government.

The DSS has four program divisions and two administrative divisions:

- Children's Division (CD);
- Family Support Division (FSD);
- MO HealthNet Division (MHD);
- Division of Youth Services (DYS);
- Division of Finance and Administrative Services (DFAS); and
- Division of Legal Services (DLS)

4. **Description of Financial Operations Systems**

The DSS is assigned the responsibility of administering the SSBG grant within the budget passed each year by the Missouri legislature and signed by the Governor. The DFAS formulates the annual expenditure plan for state fiscal year based on the DSS priorities. Expenditures made by the agency are captured in Missouri's Statewide Accounting System, SAM II.

The DSS operates under a Public Assistance Cost Allocation Plan (PACAP). Each quarter expenditure reports are extracted from the SAM II system and loaded into the DSS' cost allocation system (AlloCap). The cost allocation system allocates indirect and direct costs according to the DSS' PACAP.

SSBG funding also supports the DHSS. These costs are reported to the DSS each quarter and reported on the SSBG grant report yearly.

Staff of the DSS Division of Finance and Administrative Services monitors and reports on SSBG expenditures through two annual reports to the Federal Oversight Agency: (1) the electronically transmitted Form 425, which reports expenditures by Federal Grant Award and (2) the SSBG Post Expenditure Report, which reports actual expenditures against the SFY plan and in relation to program information on clients actually served.

III. Program Planning

1. Planning for Distribution and Use of Funds

Describe the planning process for determining the State's use and distribution of SSBG funds.

- Preventing or remedying neglect, abuse, or the exploitation of children and adults; preserving, rehabilitating or reuniting families;
- Preventing or reducing inappropriate institutional care by providing for community-based, home-based care, or other forms of less intensive care; and
- Securing referral or admission for institutional care, when other forms of care are not appropriate or providing services to individuals in institutions.

SSBG funds, through a public notice and input process and with prior approval from the Federal oversight agency, can be flexibly used for a range of social services to attain any of these broad goals and targeted outcomes.

Another funding flexibility under Federal law is the allowed transfer of up to 10% of Temporary Assistance for

2. Describe the Characteristics of Individuals to be Served

The State used the SFY 2022 State Legislature's public notice and public hearing process for review and input on the proposed Administration goals, objectives and outcomes priorities, budget priorities, spending and financial plan for SFY 2023 mission essential functions, including means of financing. Legislative and public input included the transfer of Temporary Assistance for Needy Families (TANF) funds into SSBG for SSBG use. CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F, Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.

If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

Certification Regarding Debarment, Suspension, and Other Responsibility Matters - -
Primary Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusive-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant

may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters - - Primary Covered Transactions

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. 6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals.
