

Highlight Something You are Proud of

The Office of Workforce and Community Initiatives (OWCI) often hears the wonderful things that community organizations, like yourself, are doing. But, we haven't had a standardized mechanism to collect the information. The information you complete on this form will allow OWCI to highlight an event, activity, program, or initiative you are proud of that made a difference. This could include things such as a new youth program, food backpack program, unhoused event, mentoring events, volunteer programs, connecting the community, holiday events, etc.

The information you complete may be used in a variety of ways including posting on the OWCI web page, providing to federal and state partners, using it to replicate practices, and posting it on Facebook. This does not replace the Success Story template, and if OWCI is posting the story, the media releases must be complete for any individuals that are quoted or photographed. You can also use this form to send us links to news stories and social media posts you are highlighted in.

If the funding is provided through OWCI, please list the source (i.e. Community Service Block Grant, Temporary Assistance for Needy Families, Victims of Crime Act, etc.) If OWCI doesn't provide the funding, you can determine if you would like to include the funding type.
