Once you have been approved for MO HealthNet there are things you will need to do in order to use and keep your coverage.

**Find a Provider**
You can work with the provider and doctor of your choice, as long as they accept MO HealthNet. If you need to find a provider who accepts MO HealthNet near you, visit [dss.mo.gov](http://dss.mo.gov) and select your provider type under “Find a Doctor.”

**Keep your MO HealthNet ID card with you at all times**
We will send you a MO HealthNet ID card once you have been approved for coverage. If you are a Managed Care member, you will also receive a card from your Managed Care health plan. You will need to show your card(s) **every time** you see a doctor or fill a prescription. Contact us at **855-FSD-INFO** (855-373-4636) right away if:
- Your name or birthday is wrong on your MO HealthNet ID card
- Your MO HealthNet ID card has been lost, destroyed or stolen
- You move and you have a new address

**Make sure your care is covered**
You will want to check to see if MO HealthNet coverage is accepted **before** you agree to a medical service or fill a prescription. If you are not sure:
- **Ask** your doctor
- **Call** us at **1-800-392-2161**
- **Visit** [myDSS.mo.gov/msmed](http://myDSS.mo.gov/msmed) to see a list of covered services
