Division of Assets

Special consideration can be given for married couples when only one enters a nursing home.

An assessment of your assets can be requested once you or your spouse enters the nursing home, in a MO HealthNet bed, for an expected stay of 30 days or more.

You may be asked to provide proof of your marriage, age, Social Security Cards for both you and your spouse and information about things that you and your spouse may own.

Right to Appeal (Hearings)

If you think that you have been denied eligibility unfairly for any reason, you can call, write or come in to any Family Support Division office and request a hearing within 90 days after the decision. You will get a letter telling you the time, date and place of the hearing at which time you can present testimony and/or evidence of circumstances, or have it presented by an attorney or a representative of your choice.

How do I apply?

1. Call 1-855-373-4636 to talk with our staff at the Family Support Division (FSD) Information Line.

2. Ask them to mail you an application or you can print an application from our website at http://dss.mo.gov/fsd/formsmanual/pdf/im1ma_0610.pdf

3. Fill out the application and send it to the Regional FSD Nursing Home Office where your case is located. A list of the four offices is on the back of this pamphlet.

4. We will then review your application. If we need more information, you will be contacted.

5. You will find out in about 45 days if your application was approved.

6. To make sure we got your application, call the FSD Information Line at 1-855-373-4636.
