NOTICE OF DIRECT DEPOSIT OPTION

The Health Insurance Premium Payment (HIPP) program provides you the option of reimbursement for health insurance premiums through direct deposit. By completing and mailing the enclosed application, you may be able to receive reimbursement directly into your checking or savings account.

Some advantages of direct deposit include:

- Reimbursements being deposited into your account on the check issue date instead of waiting for mail delivery.
- Direct deposit will prevent reimbursements being lost or stolen in the mail.

Once you have submitted the enclosed form for direct deposit, it will take approximately ten (10) working days to verify your bank account. Direct deposit will be initiated after a properly completed application is approved by the MO HealthNet Division and the successful processing of a test transaction through the banking system. Any payment made prior to completion of the set-up process will be by check mailed directly to you.

If you have any questions regarding direct deposit, you may call the HIPP program at (573)751-2005.
