PHYSICIAN BULLETIN INFLUENZA A AND B TESTING

CONTENTS

- **INFLUENZA A AND B TESTING 87804**

INFLUENZA A AND B TESTING 87804

Effective for dates of service on or after June 1, 2006, when testing for both Influenza A and B on the same date of service, the provider should bill Current Procedure Terminology (CPT) code 87804 (Infectious agent antigen detection by immunoassay with direct optical observation; influenza) on one line with a quantity of two units of service.

Provider Bulletins are available on the DMS Web site at <http://dss.mo.gov/dms/providers/pages/bulletins.htm>. Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletin site.

Missouri Medicaid News: Providers and other interested parties are urged to go to the DMS Web site at <http://dss.missouri.gov/dms/global/pages/mednewssubscribe.htm> to subscribe to the electronic mailing list to receive automatic notifications of provider bulletins, provider manual updates, and other official Missouri Medicaid communications via e-mail.

MC+ Managed Care: The information contained in this bulletin applies to coverage for:

- MC+ Fee-for-Service
- Medicaid Fee-for-Service
- Services not included in MC+ Managed Care

Questions regarding MC+ Managed Care benefits should be directed to the patient's MC+ Managed Care health plan. Before delivering a service, please check the patient's eligibility status by swiping the red MC+ card or by calling the Interactive Voice Response (IVR) System at 573-635-8908 and using Option One.
