# HEARING AID SCHOOL-BASED INDIVIDUALIZED EDUCATION PLAN (IEP) DIRECT SERVICES

## CONTENTS

- **RATE UPDATE**

### MAXIMUM ALLOWABLE RATE DECREASE

Effective for dates of service on or after July 1, 2017, the MO HealthNet fee-for-service maximum allowable rates for the services listed in **Attachment A** decreased by three percent (3%). The MO HealthNet Division will reimburse the lower of the provider's billed charge or the maximum allowable amount for the date of service billed. Services provided as documented in an Individualized Education Plan (IEP) are reimbursed at the Federal Financial Participation (FFP) rate. The remainder of the allowed amount is the responsibility of the school district originating the IEP.

**Provider Bulletins** are available on the MO HealthNet Division (MHD) website at <http://dss.mo.gov/mhd/providers/pages/bulletins.htm>. Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletin page.

**MO HealthNet News:** Providers and other interested parties are urged to go to the MHD Web site at <http://dss.mo.gov/mhd> to subscribe to the electronic mailing list to receive automatic notifications of provider bulletins, provider manual updates, and other official MO HealthNet communications via E-mail.

**MO HealthNet Managed Care:** The information contained in this bulletin applies to coverage for:

- MO HealthNet Fee-for-Service
- Services not included in MO HealthNet Managed Care

Questions regarding MO HealthNet Managed Care benefits should be directed to the patient's MO HealthNet Managed Care health plan. Before delivering a service, please check the patient's eligibility status by swiping the MO HealthNet card or by calling the Interactive Voice Response (IVR) System at 573-751-2896 and using Option One for the red or white card.
