Торіс	Discussion	Action	
Welcome/Roll Call	Attendance as above	FYI	
Precertification	Eric reviewed precertification changes that began 5/1/2019. 14 hours of	of services Minutes will be	e posted
changes effective	may be delivered prior to requesting PA. Default precertification period	d increased to the MHD we	ebsite.
5/1/2019	to 12 months. Hours precertified according for adults, children in state	custody,	
	children not in state custody. Continued services beyond 12 months, re	equest	
	precertification and provide rationale, documentation. Ability to overr	ide limits if	
	medically necessary, clinical exception requests broadened. 13 CSR 70-		
	becomes effective 5/30/2019, removes specific additional requirement	ts for	

behavioral health providers. Providers must continue to meet adequate

	documentation and adequate records definitions as with all MHD providers.		
Committee	This committee is defined in 13 CSR 70-98.020. 3 clinicians allocated from each FYI		
composition,	discipline, but MHD has added ABA providers and licensed marital and family		
broadening of scope	therapists, so broadening disciplines and reducing number to 2 was discussed.		
discussed	Also, committee discussed broadening from a focus on prior authorization to		
	behavioral health services in general. Committee members were supportive of		
	this approach.
