

Drug Classes Covered By Hospice (require MO HealthNet PA)

MO HealthNet processes pharmacy claims for participants enrolled in the hospice program, through the traditional Point-of-Sale (POS) system.

All pharmacy claims processed on or after January 5, 2005, regardless of the date of service, will process in this manner.

The following updated list of drug classes will generally be the responsibility of the hospice unless prior authorization is obtained via the MHD Pharmacy Help Desk at 800-392-8030. Bolded items are new additions to the list.

Antibiotics

Analgesics

Anti-anemics

Anti-emetics

Anti-fungals

Ammonia Inhibitors

Antineoplastics/Hormonal Neoplastics

Antispasmodics/Motility

Antivirals

Anxiolytics

Digestants

Expectorants and cough products

Glucocorticoids

Lactulose

Laxatives/Cathartics

Palliative Medications (mucositis/stomatitis)

Sedatives/Hypnotics

Thickening Agents
