Method for establishing payment rates for case management services for Severely Emotionally Disturbed (SED) children

The state agency will reimburse Targeted Case Management providers at fee-for-service rates. The state payment for each service will be the lower of:

- (1) The provider’s actual charge for the service; or
- (2) The Medicaid maximum allowable amount per unit of service.

A single rate is established for each unit of service. Except as otherwise noted in the plan, state-developed fee schedule rates are the same for both governmental and private providers of rehabilitative services offered by TCM providers (as detailed in Section 3.1-A of the state plan). The TCM procedure codes and the Medicaid fee schedule are published on the MO HealthNet website at <https://dss.mo.gov/mhd/providers/fee-for-service-providers.htm> and are effective for services provided on or after July 1, 2022.
