Pursuant to the provisions of Title 42 Section 441.304(f), Code of Federal Regulations, public notice is given regarding the submission of the Partnership for Hope and Missouri Children with Developmental Disabilities waiver renewal applications and the Comprehensive and Community Support waiver amendments to align with the renewals. The Centers for Medicare & Medicaid Services (CMS) requires states to obtain public input during the development of a waiver renewal or a waiver amendment with substantive changes. Stakeholders are being asked to provide public input and comment in order to allow Missouri to submit these two waiver renewal applications and two waiver amendment applications. Please see complete draft of the waiver renewal and amendment applications on the MO HealthNet website at [MO HealthNet Alerts & Public Notices](#). Current waiver participants will not lose eligibility or waiver participation with these renewals and amendments.
