

Public Notice

Pursuant to the provisions of Title 42 Section 441.304(f), Code of Federal Regulations, public notice is given regarding the submission of the Brain Injury Waiver application. The Centers for Medicare and Medicaid Services (CMS) requires states to obtain public input during the development of a waiver, a waiver renewal, or a waiver amendment with substantive changes. Stakeholders are being asked to provide public input and comment in order to allow Missouri to submit this waiver application. Please see complete draft of the waiver application on the MO HealthNet website at:
<https://dss.mo.gov/mhd/alerts~public-notice.htm>.

The Department of Social Services, MO HealthNet Division and the Department of Health and Senior Services, Division of Community and Public Health have developed the Brain Injury Waiver to provide Home and Community-Based Services to participants with traumatic brain injuries who are between the ages of 21 and 65 that require nursing home level of care.
