## MISSOURI HEALTH CARE RESPONSIBILITY REPORT

### **Introduction**

On November 27, 2006, Governor Matt Blunt signed Executive Order 06-45, directing the Missouri Department of Social Services (DSS) to prepare a Medicaid beneficiary employer report to be submitted to the Governor on a quarterly basis and to be known as the Missouri Health Care Responsibility Report.

In the 2007 legislative session, the Missouri General Assembly enacted Senate Bill 577, which transformed the Missouri Medicaid program into MO HealthNet (MHN). Section 208.230 of SB 577 is known as the “Public Assistance Beneficiary Employer Disclosure Act.” It directs the Department of Social Services to prepare a MO HealthNet beneficiary employer report. The requirements of Section 208.230 and Executive Order 06-45 are virtually identical.

### **Data Confidentiality**

The Department of Labor and Industrial Relations (DOLIR) maintains a database of employers, employees, and wage information for the purpose of administration of the state unemployment compensation program. United States Department of Labor regulations (20 CFR 603) govern how such information can be used and under what circumstances the information can be made available to others. Federal regulations allow the disclosure of normally confidential information to public officials for use in their official duties, but do not allow public disclosure of confidential information. Therefore, without statutory changes, the report must be limited to non-identifiable data regarding individual employers. Wherever possible, DSS has used aggregated data to describe the employed population that receives MHN benefits and services.

**SUMMARY DATA**  
**MISSOURI HEALTH CARE RESPONSIBILITY REPORT**  
**October – December, 2018**

**Number of Employees and Family Members Included in the Report**

A total of 677,254 MHN enrollees were employed during the quarter or were the spouse or child of an employed individual. However, only 309,304 of these are associated with an employer with 50 or more such individuals and are included in this report.

**Percentage of Workforce**

Nine hundred sixty (960) companies were identified as employing fifty (50) or more individuals who either received MHN benefits or were responsible for a spouse or child who received such benefits. These companies employed a total of 1,218,484 individuals in the State of Missouri. The Department of Social Services identified 148,215 individuals who were MHN enrollees or were responsible for a family member who was enrolled in MHN. Therefore, 12.16% of the workforce of these companies received MHN benefits for themselves or their families.

**Number of MHN Enrollees for Employers with Fifty or More Individuals**

MHN Enrolled Employees (E)	73,898
Employees with MHN Enrolled Family Members (N)	74,317
Total Employees (E + N)	148,215
MHN Enrolled Spouses (S)	12,401
MHN Enrolled Children (C)	223,005
Total MHN Enrollees (E + S + C)	309,304

**Insurance Coverage**

Based on a survey of employers conducted by the MO HealthNet Division (MHD), 60% of the employers provide insurance for their full-time employees and their family members. As shown below, coverage for part-time employees was far less likely to be available.

Percentage of All Employers Surveyed Providing Coverage for:	Full-Time Employees	Part-Time Employees	Spouses	Children
Yes	61%	19%	60%	60%
No	3%	45%	3%	3%
Unknown	36%	36%	37%	37%

**Cost to the State of Missouri**

The total cost to date to the State of Missouri for providing MHN coverage to these employees and their family members was \$249.8 million during the quarter covered by the report.

HIPP Enrollees	731
HIPP Payments	\$209,762
Title XIX Cost	\$242,589,676
Title XXI Cost	\$6,621,723
Other Cost	\$409,774
Total Cost	\$249,830,936
Total MHN Enrollees (E + S + C)	309,304
Per Capita/PMPM Cost	\$269

It should be noted that receipt of MO HealthNet claims often lags for several months. Most bills are received and paid within six months.
