

IMMUNIZATION (SHOT) SCHEDULE FOR CHILDREN

Immunizations (shots) help prevent serious illness. This record will help keep track when your child is immunized. If your child did not get their shots at the age shown, they still need to get that shot. Talk to your PCP about your child's immunizations (shots). Children must have their immunizations (shots) to enter school.

Immunization Record		
Age	Shot (Immunization)	Date Received
Birth	HepB*	
2 months	DTaP, Hib, IPV, PCV, RV, HepB	
4 months	DTaP, Hib, IPV, PCV, RV, HepB*
