

Advocates for Family Health

Need Help With MO HealthNet (Missouri Medicaid)?

If you are having a problem with your MO HealthNet services and are unable to solve the problem with a nurse, PCP, or by referring to your Managed Care health plan, Advocates for Family Health is a problem-solving service that can help you:

- Understand your rights & benefits under MO HealthNet
- If you think your health care rights are being denied
- File grievances
- Appeal a decision made by your health plan
- Request a State Fair Hearing
