

# MO HealthNet Managed Care

Highlights of Contract Revisions for SFY16

**Rhonda Driver, BSc. Pharm, R.Ph.**

**Deputy Division Director -Clinical Operations**

MO HealthNet Oversight Committee, August 4, 2015

# Medicaid Reform and Transformation

- Medicaid reform and transformation program encourages:
  - Personal responsibility-member incentives
  - Promoting efficiency-provider incentive program
  - Local Community Care Coordination Program (LCCCP)
    - Engage providers, members, health plans
  - Increase accountability and transparency

# Member Incentive Program

- Promote personal responsibility
  - Responsible behavior and encourage efficient use of health care services
- Reviews started on June 1, 2015
- Approval by September 15, 2015
- Monitored through withhold program
  - 10% of members in first year
  - 20% in second year
  - 30% in third year

# Provider Incentive Program

- Designed to improve members' health outcomes and promote efficiency
- Decrease inappropriate utilization
- Decrease health risk factors
- Reviews started June 1, 2015
- Approval by September 15, 2015
- Monitored through withhold program
  - 10% growth from regional baseline
  - PCPs, physician specialists, behavioral health specialists in original contract period

# Local Community Care Coordination Program (LCCCP)

- Greater engagement through provider-based care coordination
- Propose model by December 31, 2015
- Model approved by March 30, 2016
- Implement by July 1, 2016
- Individuals in state operated health homes not included

# Withhold Program

- New withhold program for quality measures
- Withhold applied to the capitation payments to provide incentives for assuring compliance with contract requirements
- Total annual withhold amount will be two and a half percent (2.50%) of capitation payments each year for all three years of the contract.

# Withhold Program

- Five categories of performance indicators
  - Encounter data completeness/accuracy
  - Provider panel directory completeness/accuracy
  - HCY/EPSTD participant ratio
  - Case management
  - Medicaid reform and transformation activities
    - Member incentive programs
    - State provider incentive programs
    - LCCCP programs
