

## Assignment-type Descriptions

<b>Participant Selection</b>	<b>Participant Selection</b> – Mo HealthNet Managed Care eligible chooses a health plan within the allotted timeframe (normally 15 days but varies on eligibility code.)
<b>History Assign</b>	<b>Case Assigned</b> – If the MO HealthNet Managed Care eligible’s case head is enrolled with a health plan, the MO HealthNet Managed Care eligible shall be assigned to that health plan. If not, the next step in the algorithm will be followed.
	<b>Member Assigned</b> – If the MO HealthNet Care eligible is included in a MO HealthNet eligibility case where another member is enrolled with a health plan, the MO HealthNet Managed Care eligible shall be assigned to that health plan.
	<b>Newborn</b> – Newborns of members enrolled at the time of the child’s birth are automatically enrolled with the mother’s health plan. (A mother of a newborn may choose a different health plan for her child)
	<b>Reassigned</b> – Mo HealthNet Managed Care eligible does not choose a health plan but was enrolled with a health plan within the last 60 days. The Mo HealthNet Managed Care eligible will be reassigned to the previous health plan.
<b>Algorithm</b>	<b>Algorithm</b> – If none of the above is applicable, the Mo HealthNet Managed Care eligible will be assigned by algorithm.

<b>More on Algorithm Assignment</b>	<b>Over 55% Regional Marketshare</b> – If the health plan has over 55% Marketshare in a region, they will only receive members through History Assign.
	<b>Under 20% Regional Marketshare</b> – If the health plan has less than 20% Marketshare or 25,000 members in a region, they will receive 100% of the algorithm assignments. If two health plans fit this criteria, they will split the auto-assignments 50/50.
	<b>If All Health Plans Under 55% and over 20% Marketshare</b> –Algorithm Assignments will be evenly split between the health plans.
	<b>Determinations</b> – Marketshare is determined the last working Friday of the month. If the Marketshare causes a need for the change of Algorithm Assignment Percentage(s) change, it will be made on the first calendar day of the following month.
