

Contacting Constituent Education

Requests for provider training may be directed to the Constituent Education representatives by calling (573) 751-6683 or by email: mhd.provtrain@dss.mo.gov. Constituent Education representatives offer training and education on billing and procedures for **fee-for-service** MO HealthNet claims.

Your request should include the Provider's Name, National Provider Identifier (NPI), the reason for the inquiry, and the type of training needed. By providing this pertinent information, your request for assistance can be directed to the appropriate staff.

Inquiries regarding **fee-for-service** claim filing or denials, Remittance Advices, and all eligibility questions to include managed care should still be directed to the Provider Communications Unit at (573) 751-2896.

Each of the Constituent Education representatives and their training programs are listed below:
