MO HealthNet

MO HealthNet is Missouri's Medicaid Program. Individuals who do not have health insurance or need help paying for health care may be eligible for coverage through MO HealthNet.

Eligibility for MO HealthNet

Eligibility for MO HealthNet depends on an individual's income, age, and health.

An individual may be eligible if they fit into any of the categories below:

- **Senior-** Age 65 and older
- **Parent or Caretaker with a Child** - under the age of 19
- **Child-** Age birth to 18
- **Women with No Health Insurance** - Age 18 to 55
- **Adult without Disabilities** Age- 19 to 64
- **Pregnant Women-** Age 19 to 64
- **Women with Breast or Cervical Cancer-** Under age 65
- **Person with Disabilities-** No age limitation
- **Blind or Visually Impaired Adult-** Age 18 and older

Participant Annual Renewal

Effective April 1, 2023, The Family Support Division (FSD) will be required to check the eligibility of all MO HealthNet participants, including Managed Care health plan members. This is called a Medicaid eligibility renewal (or annual renewal).

More than 1.4 million Missourians have MO HealthNet coverage and will be impacted by this change. We are asking you to spread the word so participants can stay informed. You can help by reminding participants about their upcoming annual review dates.

You can help by:

- Review the [MO State Plan for Resuming Annual Renewals](#)
- Share [outreach materials](#)
- Explore the [Communications Toolkit](#)
- Remind participants to update their information [online](#) or by calling (855) 373-4636
- Help participants [update their information](#) if they need assistance

Participant Annual Renewal

Providers can find a participant's annual renewal date in two ways:

- Utilize the Participant Annual Review Date option in eMOMED
- Contact the Provider Communications' Interactive Voice Response (IVR) system at (573) 751-2896.

Providers and participants can find additional information on the Renewing Your Medicaid Eligibility website.

To assist with helping participants, the table below shows the estimated timeline for the annual renewal process.

Medicaid Adult Expansion

Effective July 1, 2021 – Adult Expansion Group (AEG) - E2

Medicaid Expansion changed the eligibility requirements for Missouri's Medicaid program (MO HealthNet) to include non-disabled adults between the ages of 19 and 64.

These participants may not have otherwise qualified for traditional Medicaid or Medicare coverage.

Requirements:

- Live in Missouri and are a United States citizen (or qualified non-citizen)
- Make less than the annual income limit for their household size
- Are not eligible for or receiving Medicare Part A or B, MO HealthNet for Families, MO HealthNet for Pregnant Women, or Non-Spend Down MO HealthNet for the Aged Blind & Disabled.

What is Happening and Why

Some individuals who require a higher level of care are qualifying for AEG coverage when they don't meet the criteria for traditional adult Medicaid, Aged, Blind, and Disabled Medicaid or Medicare.

AEG benefits are administered through MO HealthNet's Managed Care plans.

The MO HealthNet's Managed Care plans do not pay for Nursing Home coverage.

NURSING HOME ROOM AND BOARD AND SURPLUS FOR MO HEALTHNET FOR FAMILIES (MHF), THE ADULT EXPANSION GROUP (AEG), AND MO HEALTHNET FOR PREGNANT WOMEN (MPW)

Centers for Medicare & Medicaid Services (CMS) advised the Family Support Division (FSD) that MO HealthNet Division (MHD) is to provide nursing home room and board to individuals eligible for MO HealthNet for Families (MHF), the Adult Expansion Group (AEG), and MO HealthNet for Pregnant Women (MPW). Participants in these groups do not owe a monthly surplus while in the nursing home. With the exception of hospice stays, nursing home room and board is covered under fee-for-service regardless of whether the resident is in managed care.

The health plans' responsibilities in regard to nursing home services are not changing. No new benefits are being added. MHD pays for nursing home room and board on a Fee-For-Service

Volume 45,
Number 22
dated
August 31,
2022

Billing for Room and Board

MO HealthNet is responsible for nursing home room and board on a Fee-For-Service (FFS) basis while the participant is enrolled in managed care.

Providers should continue to bill the Managed Care plans for all covered benefits not included in the Nursing Home per diem while enrolled in the plan.

Room and Board should be submitted through eMOMED or a clearinghouse, as you would for a traditional Medicaid participant.

The 60 Day Rule

- Participants seeking admission into a nursing home will remain in a Managed Care plan until a nursing home level of care is determined or for 60 calendar days; whichever comes first.
- MO HealthNet must have verification that a DA-124 has been issued initiating the Department of Health and Senior Services (DHSS) level of care review before the 60-day process can begin.
- The DA-124 can be completed online at:
<https://health.mo.gov/seniors/nursinghomes/pasrr.php>
- Once a level of care has been determined the participant will be opted out of Managed Care and placed into FFS.

No Prior Authorization Required

No prior authorization is required from the MO HealthNet Division or the Managed Care Plan to be admitted to a Nursing Home.

The Managed Care Health Plans have additional flexibilities in operating their respective programs, such as determining which services require prior authorization, and details required for claims submission.

Surplus and Hospice

Participants in the Adult Expansion Group (E2) do not owe a monthly surplus while in a nursing home.

If a member elects Hospice ***and then enters a nursing home***, the Managed Care Plan is responsible for the nursing home cost.

If you provide services to people with disabilities, seniors, blind & visually impaired, or women with breast or cervical cancer who get their health care services through MO HealthNet, you can provide services through the Fee-For-Service Program. Providers must be enrolled in the MO HealthNet program to provide medical services through the Fee-For-Service Program.

If you participate in the MO HealthNet program, you agree to accept MO HealthNet payment as reimbursement in full for any services provided to MO HealthNet participants. A participant cannot be billed for the difference between the MO HealthNet payment and the provider's billed charges, sometimes called "budget or balance billing."
