MAXIMUM ALLOWABLE RATE INCREASE

Effective for dates of service on or after July 1, 2022 the MO HealthNet Fee-For-Service maximum allowable rates are increased for the following School-Based IEP direct services: Private Duty Nursing and Personal Care.

The MO HealthNet Division (MHD) will reimburse the lesser of the provider's billed charge or the maximum allowable amount for the date of service billed. Services provided as documented in the IEP are reimbursed at the Federal Financial Participation (FFP) rate. The remainder of the allowed amount is the responsibility of the school district originating the IEP.

It is the Department of Social Services' expectation that a substantial portion of the rate increase will be passed through to the direct care worker/nurse providing direct care services.
